Igor Aleshin

Education:

Department of Theoretical Physics, Faculty of Physics, M.V. Lomonosov Moscow State University (MSU), 1990.

Foreign languages:

English.

Degrees:

Ph.D. in physics and mathematics, specialty "Theoretical Physics", M.V. Lomonosov Moscow State University (MSU), 1994.

Scientific interests:

Theoretical and mathematical physics, seismology, statistical methods for solving inverse problems, distributed computing.

Positions:

- Senior researcher, Department of Physics of the Earth, Faculty of Physics of M.V. Lomonosov Moscow State University (1998-2002);
- Leading researcher of the Laboratory of geoinformatics and geomagnetic studies of the Geophysical Center of the Russian Academy of Sciences (present time);
- Head of Laboratory of geoinformatics, the Schmidt Institute of Physics of the Earth of the Russian Academy of Sciences (present time).

Tuition:

Scientific management of the implementation of post-graduate dissertations (the Schmidt Institute of Physics of the Earth of the Russian Academy of Sciences).

Publications:

Author of more than 30 papers published in international and Russian scientific peer-reviewed journals.
